

Items for Sale, Swap, or Trade

(current as of 1/28/2011)

This page provides a place for members of The Lancaster & Fairfield County Amateur Radio Club (LFCARC) to locate, request, sell, swap, or trade amateur radio accessories, equipment, or related gear.

Listing Policies:

1. LFCARC does not provide an endorsement as to the quality of the items offered here or any implied warranty as to its condition. This is strictly between the buyer and the seller.
2. LFCARC does not accept any form of payment on or through this site, as this is also between the buyer and seller.
3. To have an item listed, send your request with the details to the webmaster. Items will remain listed for 60 days unless you contact the webmaster for other arrangements.
4. Items listed for non-members if the listing is sponsored by an LFCARC member and at the discretion of the webmaster.

FOR SALE:

*TRANSCEIVER: Heath HW-8 in excellent condition. Contact Dave (K8KEG) at (740) 689 – 1158. (1/13/11)

*AMPLIFIER: Heathkit HA-10. The 811 tubes test at about 95%, but the 866 tube is untested as I do not have the capability to test it. All tubes light up and the fan works. I do not have an old transmitter to test its operation. Asking \$200 “AS IS”, you pick up at my home in Lithopolis OH. Contact Ed Barnhart (WB8JBG) at unfisherman@att.net. (2/26/11)

WANTED:

*HALLICRAFTERS S-40B: Looking for an operable Hallicrafters S-40B in excellent condition. Contact John (K9ULO) at k9ulo@arrl.net. (2/26/11)
